The Honorable Board of Supervisors
County of Los Angeles

Los Angeles, California 90012

Dear Supervisors:

APPROVAL OF ONE HIV/AIDS HEALTH EDUCATION/RISK REDUCTION PREVENTION SERVICES AGREEMENT (All Districts) (3 Votes)

IT IS RECOMMENDED THAT YOUR BOARD:

Approve and instruct the Director of Health Services, or his designee, to offer and sign one agreement substantially similar to Exhibit I, with Bienestar Human Services, Inc. for the provision of HIV/AIDS health education/risk reduction prevention services directed towards African-Americans and Latinos, effective retroactive to July 1, 2003 through June 30, 2004, at a total cost of \$145,000, 100% offset by California Department of Health Services (CDHS) - Office of AIDS (OA) funds, at no net County cost.

PURPOSE/JUSTIFICATION OF THE RECOMMENDED ACTION:

In approving this action, the Board is authorizing the Director of Health Services, or his designee, to offer and sign an agreement with Bienestar Human Services, Inc. (Bienestar) for the provision of HIV/AIDS health education/risk reduction prevention services directed towards African-American and Latino high risk gay and bisexual young men, 18 to 34 years old, who reside in Los Angeles County.

In Los Angeles County, the HIV/AIDS epidemic disproportionately impacts communities of color. African-Americans consistently have the highest AIDS case rate whereas Latinos represent the largest absolute number of new AIDS cases. Local HIV seroprevalence studies show rates higher for African-Americans than for any other group, within each gender and risk category; and absolute numbers infected or at risk higher for Latinos. Studies also suggest that African-Americans and Latinos obtain HIV testing and receive AIDS diagnoses later in the disease progression on average than do Caucasians, Asian-Americans, and Pacific Islanders. As such, approval of the agreement with Bienestar will enable the Department of Health Services (DHS or Department) to provide HIV/AIDS services to the African-American and Latino communities where they are most needed.

FISCAL IMPACT/FINANCING:

The total maximum obligation of County under this agreement is \$145,000, which is 100% offset by CDHS - OA funds. Funding is included in DHS's Fiscal Year (FY) 2003-04 Adopted Budget. Payments under the agreement will be on a cost reimbursement basis.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

In January 2000, the Department received notification from CDHS-OA of its intent to provide funding to augment an existing high risk initiative in Los Angeles County, "The SHAMen Project," a community-based prevention project implemented in part by Bienestar. The project combined group and community level interventions directed towards African-American and Latino gay men.

On October 3, 2000, the Board approved the revised Master Grant Agreement from the CDHS - OA that included funds to augment the SHAMen Project through a contract with Bienestar. The Board approved subsequent amendments to the Master Grant Agreement to augment SHAMen Project funds on May 29, 2001, June 18, 2002, and December 17, 2002.

The Bienestar agreement that included the SHAMen Project expired June 30, 2003 and was inadvertently not renewed before it expired. Since the CDHS-OA is continuing to provide the funding for this project, a new agreement is recommended to continue this high risk initiative.

This agreement was on the Board agenda July 29 and August 5, 2003 along with two other agreements. The entire Board letter was referred back to the Department to clarify issues with the other agreements. This agreement was separated from them for refile. Retroactive approval is recommended because the State has continued to specifically fund this project from its Master Agreement.

Attachment A provides additional information.

Exhibit I has been approved as to form by County Counsel.

CONTRACTING PROCESS:

In FY 1999-2000, CDHS-OA selected Bienestar to provide augmented high risk initiative services in Los Angeles County through the existing SHAMen Project. In FY 2000-01, at the request of CDHS-OA, the SHAMen Project was included in the State Master Grant Agreement for Los Angeles County. CDHS has continued to fund this project through the Master Grant Agreement. CDHS-OA has announced plans to competitively bid the high risk initiative in 2004.

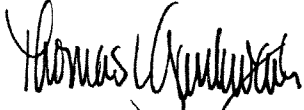

IMPACT ON CURRENT SERVICES (OR PROJECT):

Approval of this agreement will ensure the ongoing commitment to HIV/AIDS related services in communities of color throughout Los Angeles County.

1. TERM: The term of this Agreement shall commence on date of Board approval and shall continue in full force and effect through June 30, 2004. Said Agreement shall thereafter be automatically renewed for two (2) twelve (12) month periods, and

one (1) five (5) month period, effective July 1, 2004 through June 30, 2005, effective July 1, 2005 through June 30, 2006, and effective July 1, 2006 through November 30, 2006, subject to the availability of federal, State, or County funding sources. Notwithstanding any other provision of this Agreement, the failure of Contractor or its officers, agents, or employees to comply with the terms of this Agreement or any written directives by or on behalf of County issued pursuant hereto shall constitute a material breach hereto and this Agreement may be terminated by County immediately. County's failure to exercise this right of termination shall not constitute a waiver of such right, which may be exercised at any subsequent time.

In the event of termination or suspension of this Agreement, Contractor shall:

A. If clients/patients are treated hereunder, make immediate and appropriate plans to transfer or refer all clients/patients treated under this Agreement to other agencies for continuing care in accordance with the client's/patient's needs. Such plans shall be approved by Director, except in such instance, as determined by Contractor, where an immediate client/patient transfer or referral is indicated. In addition, Contractor shall immediately minimize all other costs and expenses under this Agreement. Contractor shall be reimbursed only for reasonable and necessary costs or expenses incurred after receipt of notice of termination.

C. Promptly report to County in writing all information necessary for the reimbursement of any outstanding claims and continuing costs.

4. FUNDING/SERVICES ADJUSTMENTS AND REALLOCATIONS:

A. If sufficient monies are available from Federal, State, or County funding sources, and upon Director's or his authorized designee's specific written approval, County may require additional services and pass on to Contractor an increase to the applicable County maximum obligation as payment for such services, as determined by County. For the purposes of this provision, Director's authorized designee shall be the Chief of Operations, Public Health. If monies are reduced by Federal, State, or County funding sources, County may also decrease the applicable County maximum

obligation as determined by County. Such funding changes will not be retroactive, but will apply to future services following the provision of written notice from Director to Contractor. If such increase or decrease does not exceed fifteen percent (15%) of the applicable County maximum obligation, Director may approve such funding changes. Director shall provide prior written notice of such funding changes to Contractor and to County's Chief Administrative Officer. If the increase or decrease exceeds fifteen percent (15%) of the applicable County maximum obligation, approval by County's Board of Supervisors shall be required. Any such change in any County maximum obligation shall be effected by an amendment to this Agreement pursuant to the ALTERATION OF TERMS Paragraph of this Agreement.

B. County and Contractor shall review Contractor's expenditures and commitments to utilize any funds, which are specified in this Agreement for the services hereunder and which are subject to time limitations as determined by Director, midway through each County fiscal year during the term of this Agreement, midway through the applicable time limitation period for such funds if such period is less than a County fiscal year, and/or at any other time or times during each County fiscal year as determined by Director.

At least fifteen (15) calendar days prior to each such review, Contractor shall provide Director with a current update of all of Contractor's expenditures and commitments of such funds during such County fiscal year or other applicable time period.

If County determines from reviewing Contractor's records of service delivery and billings to County, that a significant underutilization of funds provided under this Agreement will occur over its term, Director or County's Board of Supervisors may reduce the applicable County maximum obligation for services provided hereunder and reallocate such funds to other providers. Director may reallocate a maximum of twenty-five percent (25%) of the applicable County maximum obligation or One Hundred Thousand Dollars (\$100,000), whichever is greater. Director shall provide written notice of such reallocation to Contractor and to County's Chief Administrative Officer. Reallocation of funds in excess of the aforementioned amounts shall be approved by County's Board of Supervisors. Any such change in any County maximum obligation shall be effected by an amendment to this Agreement pursuant to the ALTERATION OF TERMS Paragraph of this Agreement.

C. Funds received under the CARE Act will not be utilized to make payments for any item or service to the extent that payment has been made or can be reasonably expected to be made, with respect to any item or service by:

(1) Any State compensation program, insurance policy, or any federal, State, County, or municipal health or social service benefits program, or;

Billings shall be submitted to County within thirty (30) calendar days after the close of each calendar month. Within a reasonable period of time following receipt of a complete and correct monthly billing, County shall make payment in accordance with the schedule(s) attached hereto.

B. County Audit Settlements:

(1) If an audit conducted by federal, State, and/or County representatives finds that actual reimbursable net costs for any services furnished hereunder are lower

than the payments made thereof by County, and/or if it is determined by such audit that any payments made by County for a particular service is for costs which are not reimbursable pursuant to provisions of this Agreement, then the difference shall be repaid by Contractor.

(2) If within forty-five (45) calendar days of termination of the contract period, such audit finds that the allowable costs of services furnished hereunder are higher than the payments made by County, then the difference may be paid to Contractor.

Request for authorization shall be made in writing to Director and shall include the travel dates, locations, purpose/agenda, participants, and costs.

F. Withholding Payment:

(1) Subject to the reporting and data requirements of this Agreement and the exhibit(s) attached hereto, County may withhold any claim for payment by Contractor if any report or data is not delivered by Contractor to County within the time limits of submission as set forth in this Agreement, or if such report or data is incomplete in accordance with requirements set forth in this Agreement. This withholding may be invoked for the current month and any succeeding month or months for reports or data not delivered in a complete and correct form.

(2) Subject to the provisions of the TERM and ADMINISTRATION Paragraphs of this Agreement, and the exhibits(s) attached hereto, County may withhold any

claim for payment by Contractor if Contractor has been given at least thirty (30) calendar days' notice of deficiency(ies) in compliance with the terms of this Agreement and has failed to correct such deficiency(ies). This withholding may be invoked for any month or months for deficiency(ies) not corrected.

(3) Upon acceptance by County of all report(s) and data previously not accepted under this provision and/or upon correction of the deficiency(ies) noted above, County shall reimburse all withheld payments on the next regular monthly claim for payment by Contractor.

(4) Subject to the provisions of the exhibit(s) of this Agreement, if the services are not completed by Contractor within the specified time, County may withhold all payments to Contractor under this Agreement between County and Contractor until proof of such services is delivered to County.

(5) In addition to Subparagraphs (1) through (4) immediately above, Director may withhold claims for payment by Contractor which are delinquent amounts due to County as determined by a cost report settlement, audit report settlement, or financial evaluation report, resulting from this or prior years' Agreement(s).

G. Contractor agrees to reimburse County for any federal, State, or County audit exceptions resulting from noncompliance herein on the part of Contractor or any subcontractor.

9. COMPLIANCE WITH THE COUNTY'S JURY SERVICE PROGRAM: This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

A. Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

B. For purposes of this subparagraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts.

"Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: (1) the lesser number is a recognized industry standard as determined by the County, or (2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall also be subject to the provisions of this subparagraph. The provisions of this subparagraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

C. If Contractor is not required to comply with the Jury Service Program when the Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program. The required form, "County of Los Angeles Contractor Employee Jury Service Program Certification Form and Application for Exception", is to be completed by the Contractor prior to Board approval of this Agreement and forwarded to OAPP.

D. Contractor's violation of the above subparagraph of Contract may constitute a material breach of the Contract.

In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

10. ALTERATION OF TERMS: This Agreement, together with the exhibit(s) and schedule(s) attached hereto, fully expresses all understandings of the parties concerning all matters covered and shall constitute the total Agreement. its sole option, may obtain damages from Contractor resulting from said breach. Alternatively, County may purchase such required insurance coverage, and without further notice to Contractor, County may deduct from sums due to Contractor any premium costs advanced by County for such insurance.

D. Notification of Incidents, Claims, or Suits:

Contractor shall report to County:

pay County for all travel, per diem, and other costs incurred by County for any inspection and audit at such other location.

C. Preservation of Records: If following termination of this Agreement Contractor's facility is closed or if ownership of Contractor changes, within forty-eight (48) hours thereafter, the Director is to be notified thereof by Contractor in writing and arrangements are to be made by Contractor for preservation of the client/patient and financial records referred to hereinabove.

D. Audit Reports: In the event that an audit of any or all aspects of this Agreement is conducted of Contractor by any Federal or State auditor, or by any auditor or accountant employed by Contractor or otherwise, Contractor shall file a copy of each such audit report(s) with the County's Department of Health Services ("DHS") - OAPP, Contracts and Grants Section, and County's Auditor Controller within thirty (30) calendar days of Contractor's receipt thereof, unless otherwise provided for under this Agreement, or under applicable Federal or State regulations. To the extent permitted by law, County shall maintain the confidentiality of such audit report(s).

E. Independent Audit: Contractor's financial records shall be audited by an independent auditor for every year that this Agreement is in effect.

The audit shall satisfy the requirement of the Federal Office of Management and Budget (OMB) Circular Number A-133. The audit

shall be made by an independent auditor in accordance with Governmental Financial Auditing Standards developed by the Comptroller General of the United States, and any other applicable Federal, State, or County statutes, policies, or guidelines. Contractor shall complete and file such audit report(s) with the County's DHS - OAPP no later than the earlier of thirty (30) days after receipt of the auditor's report(s) or nine (9) months after the end of the audit period.

If the audit report(s) is not delivered by Contractor to County within the specified time, Director may withhold all payments to Contractor under all service agreements between County and Contractor until such report(s) is delivered to County.

The independent auditor's workpapers shall be retained for a minimum of three (3) years from the date of the report, unless the auditor is notified in writing by County to extend the retention period. Audit workpapers shall be made available for review by Federal, State, or County representatives upon request.

F. Federal Access to Records: If, and to the extent that, Section 1861(v)(1)(I) of the Social Security Act [42 United States Code ("U.S.C.") Section 1395x(v)(1)(I)] is applicable, Contractor agrees that for a period of five (5) years following the furnishing of services under this Agreement, Contractor shall maintain and make available, upon written request, to the Secretary of the United States Department of Health and Human Services or the Comptroller

General of the United States, or to any of their duly authorized representatives, the contracts, books, documents, and records of Contractor which are necessary to verify the nature and extent of the cost of services provided hereunder. Furthermore, if Contractor carries out any of the services provided hereunder through any subcontract with a value or cost of Ten Thousand Dollars (\$10,000) or more over a twelve (12) month period with a related organization (as that term is defined under federal law), Contractor agrees that each such subcontract shall provide for such access to the subcontract, books, documents, and records of the subcontractor.

G. Program/Fiscal Review: In the event County representatives conduct a program review or financial evaluation of Contractor, Contractor shall fully cooperate with County's representatives. Contractor shall allow County representatives access to all financial records, medical records, program records, and any other records pertaining to services provided under this Agreement. Additionally, Contractor shall make its personnel, facilities, and medical protocols available for inspection at reasonable times by authorized representatives of County. Contractor shall be provided with a copy of any written program review or financial evaluation reports. Contractor shall have the opportunity to review County's program review and financial evaluation reports, and shall have thirty (30) calendar days

after receipt of County's findings to review the results and to provide documentation to County to resolve exceptions. If, at the end of the thirty (30) day period, there remain exceptions which have not been resolved to the satisfaction of County's representatives, then the exception rate found in the audit or sample results thereafter shall be applied to the total County payments made to Contractor for all claims paid during the program review or financial evaluation period under review to determine Contractor's liability to County.

H. Failure to Comply: Failure of Contractor to comply with the terms of this Paragraph shall constitute a material breach of contract upon which Director may suspend or County may immediately terminate this Agreement.

12. REPORTS:

A. Contractor shall submit to County the following reports showing timely payment of employees' Federal and State income tax withholding:

(1) Within ten (10) calendar days of filing with the Federal or State government, a copy of the Federal and State quarterly income tax withholding return, Federal Form 941, and State Form DE-3 or their equivalent.

(2) Within ten (10) calendar days of each payment, a copy of a receipt for or other proof of payment of Federal and State employees' income tax

withholding whether such payments are made on a monthly or quarterly basis.

Required submission of the above quarterly and monthly reports by Contractor may be waived by Director based on Contractor's performance reflecting prompt and appropriate payment of obligations. Requirements of this Subparagraph A shall not apply to governmental agencies.

B. Contractor shall make other reports as required by Director concerning Contractor's activities as they affect the contract duties and purposes contained herein. In no event, however, may County require such reports unless it has provided Contractor with at least thirty (30) calendar days' prior written notification thereof. County shall provide Contractor with a written explanation of the procedures for reporting the required information.

13. ANNUAL COST REPORT:

A. For each year, or portion thereof, that this Agreement is in effect, Contractor shall provide to County's DHS - OAPP one (1) original and one (1) copy of an annual cost report within thirty (30) calendar days following the close of the contract period. Such cost report shall be prepared in accordance with generally accepted accounting principles, cost report forms, and instructions provided by County.

B. If this Agreement is terminated prior to the close of the contract period, the annual cost report shall be for that Agreement period which ends on the termination date. One (1) original and one (1) copy of such report shall be submitted within thirty (30) calendar days after such termination date to County's DHS - OAPP.

C. The primary objective of the annual cost report shall be to provide County with actual revenue and expenditure data for the contract period that shall serve as the basis for determining final amounts due to/from Contractor.

D. If the Annual Cost Report is not delivered by Contractor to County within the specified time, Director may withhold all payments to Contractor under all service agreements between County and Contractor until such report is delivered to County and/or may make a final determination of amounts due to/from Contractor on the basis of the last monthly billing received.

14. PUBLIC ANNOUNCEMENTS, LITERATURE: Contractor agrees that all materials, public announcements, literature, audiovisuals, and printed materials utilized in association with this Agreement, shall have prior written approval from the OAPP Director or his/her designee prior to its publication, printing, duplication, and implementation with this Agreement. All such materials, public announcements, literature, audiovisuals, and printed material shall include an acknowledgment that funding for

such public announcements, literature, audiovisuals, and printed materials was made possible by the County of Los Angeles, Department of Health Services, Office of AIDS Programs and Policy and other applicable funding sources.

Contractor further agrees that all public announcements, literature, audiovisuals, and printed material developed or acquired by Contractor or otherwise, in whole or in part, under this Agreement, and all works based thereon, incorporated therein, or derived therefrom, shall be the sole property of County.

Contractor hereby assigns and transfers to County in perpetuity for all purposes all Contractor's rights, title, and interest in and to all such items, including, but not limited to, all unrestricted and exclusive copyrights and all renewals and extensions thereof.

With respect to any such items which come into existence after the commencement date of the Agreement, Contractor shall assign and transfer to County in perpetuity for all purposes, without any additional consideration, all Contractor's rights, title, and interest in and to all such items, including, but not limited to, all unrestricted and exclusive copyrights and all renewals and extensions thereof.

For the purposes of this Agreement, all such items shall include, but not be limited to, written materials (e.g., curricula, text for vignettes, text for public service announcements for any and all media types, pamphlets, brochures,

fliers), audiovisual materials (e.g., films, videotapes), and pictorials (e.g., posters and similar promotional and educational materials using photographs, slides, drawings, or paintings).

15. CONFIDENTIALITY: Contractor agrees to maintain the confidentiality of its records and information including, but not limited to, billings, County records, and client/patient records, in accordance with all applicable Federal, State, and local laws, ordinances, rules, regulations, and directives relating to confidentiality. Contractor shall inform all its officers, employees, agents, subcontractors, and others providing services hereunder of said confidentiality provision of this Agreement. Contractor shall indemnify and hold harmless County, its officers, employees, and agents, from and against any and all loss, damage, liability, and expense arising out of any disclosure of such records and information by Contractor, its officers, employees, agents, and subcontractors.

16. RESTRICTIONS ON LOBBYING:

A. Federal Certification and Disclosure Requirement: If any federal monies are to be used to pay for Contractor's services under this Agreement, Contractor shall comply with all certification and disclosure requirements prescribed by Section 319, Public Law 101-121 (Title 31, U.S.C., Section 1352) and any implementing regulations, and shall ensure that each of its subcontractors receiving funds provided under this Agreement also fully comply with all such certification and disclosure requirements.

B. County Lobbyists: Contractor and each County lobbyist or County lobbying firm as defined in Los Angeles County Code Section 2.160.010, retained by Contractor, shall fully comply with the County Lobbyist Ordinance, Los Angeles County Code Chapter 2.160. Failure on the part of Contractor or any County lobbyist or County lobbying firm retained by Contractor to fully comply with the County Lobbyist Ordinance shall constitute a material breach of contract upon which Director may suspend or County may immediately terminate this Agreement.

17. UNLAWFUL SOLICITATION: Contractor shall require all of its employees performing services hereunder to acknowledge in writing understanding of and agreement to comply with the provisions of Article 9 of Chapter 4 of Division 3 (commencing with Section 6150) of the Business and Professions Code of the State of California (i.e., State Bar Act provisions regarding unlawful solicitation as a runner or capper for attorneys) and shall take positive and affirmative steps in its performance hereunder to ensure that there is no violation of such provisions by its employees. Contractor shall utilize the attorney referral services of all those bar associations within Los Angeles County that have such a service.

18. PROHIBITION AGAINST ASSIGNMENT AND DELEGATION:

A. Contractor shall not assign its rights or delegate its duties under this Agreement, or both, whether in whole or in part, without the prior written consent of County. Any

assignment or delegation which does not have such prior County consent shall be null and void. For purposes of this Paragraph, such County consent shall require a written amendment to this Agreement which is formally approved and executed by the parties. Any billings to County by any delegatee or assignee on any claim under this Agreement, absent such County's consent, shall not be paid by County. Any payments by County to any delegatee or assignee on any claim under this Agreement, in consequence of any such County consent, shall reduce dollar for dollar any claims which Contractor may have against County and shall be subject to set-off, recoupment or other reduction of claims which County may have against Contractor, whether under this Agreement or otherwise.

B. Shareholders or partners, or both, of Contractor may sell, exchange, assign, divest, or otherwise transfer any interest they may have therein. However, in the event any such sale, exchange, assignment, divestment or other transfer is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership or legal entity other than the majority controlling interest therein at the time of execution of this Agreement, then prior written consent thereof by County's Board of Supervisors shall be required. Any payments by County to Contractor on any claim under this Agreement shall not waive or constitute such County consent.

Consent to any such sale, exchange, assignment, divestment, or other transfer shall be refused only if County, in its sole judgement, determines that the transferee(s) is (are) lacking in experience, capability and financial ability to perform all Agreement services and other work. This in no way limits any County right found elsewhere in this Agreement, including, but not limited to, any right to terminate this Agreement.

19. SUBCONTRACTING:

A. For purposes of this Agreement, subcontracts shall be approved by County's OAPP Director or his/her authorized designee(s). Contractor's request to OAPP Director for approval of a subcontract shall include:

B. Subcontracts issued pursuant to this Paragraph shall be in writing and shall contain at least the intent of all of the Paragraphs of the body of this Agreement, including the ADDITIONAL PROVISIONS, and the requirements of the exhibits(s) and schedule(s) attached hereto.

C. At least thirty (30) calendar days prior to the subcontract's proposed effective date, Contractor shall submit for review and approval to OAPP Director, a copy of the proposed subcontract instrument. With the OAPP Director's written approval of the subcontract instrument, the subcontract may proceed.

D. Subcontracts shall be made in the name of Contractor and shall not bind nor purport to bind County. The making of subcontracts hereunder shall not relieve Contractor of any requirement under this Agreement, including, but not limited to, the duty to properly supervise and coordinate the work of subcontractors.

Contractor's Board of Directors shall be comprised of individuals as described in its by-laws; meet not less than required by the by-laws; and record statements of proceedings which shall include listings of attendees, absentees, topics discussed, resolutions, and motions proposed with actions taken, which shall be available for review by Federal, State, or County representatives. The Board of Directors shall have a quorum present at each Board meeting where

applicable to its performance hereunder, as they are now enacted or may hereafter be amended.

B. Contractor shall indemnify and hold harmless County from and against any and all loss, damage, liability, or expense resulting from any violation on the part of Contractor, its officers, employees, or agents, of such federal, State, or local laws, ordinances, regulations, rules, or directives.

23. KNOX-KEENE HEALTH CARE SERVICES REQUIREMENTS :

Contractor shall maintain all applicable books and records regarding services rendered to members of the County of Los Angeles Community Health Plan ("CHP") for a period of five (5) years from the expiration or earlier termination of this Agreement.

During such period, as well as during the term of this Agreement, Director or the State of California Commissioner of Corporations, or both, reserve the right to inspect at reasonable times upon demand, Contractor's books and records relating to: (1) the provision of health care services to CHP members; (2) the costs thereof; (3) co-payments received by Contractor from CHP members, if any; and (4) the financial condition of Contractor.

Contractor shall maintain such books and records and provide such information to the Director and to the State of California Commissioner of Corporations as may be necessary for compliance with the provisions of the Knox-Keene Health Care Service Plan

Act of 1975 (Health and Safety Code Sections 1340, et seq.) and all rules and regulations adopted pursuant thereto.

Upon expiration or earlier termination of this Agreement, County shall be liable for payment of covered services rendered by Contractor to a CHP member, who retains eligibility either under the applicable CHP agreement or by operation of law, and who remains under the care of Contractor at the time of such expiration or earlier termination until the services being rendered to the CHP member by Contractor are completed or County makes reasonable and medically appropriate provisions for the assumption of such services.

24. CONFLICT OF INTEREST:

A. No County employee whose position in County enables him/her to influence the award or administration of this Agreement or any competing agreement, and no spouse or economic dependent of such employee, shall be employed in any capacity by Contractor, or have any other direct or indirect financial interest in this Agreement. No officer or employee of Contractor who may financially benefit from the provision of services hereunder shall in any way participate in County's approval, or ongoing evaluation, of such services, or in any way attempt to unlawfully influence County's approval or ongoing evaluation of such services.

B. Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Agreement.

Contractor warrants that it is not now aware of any facts which create a conflict of interest. If Contractor hereafter becomes aware of any facts which might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to Director. Full written disclosure shall include, without limitation, identification of all persons implicated and complete description of all relevant circumstances.

Purchase Practices: Contractor shall fully comply with all Federal, State, and County laws, ordinances, rules, regulations, manuals, guidelines, and directives, in acquiring all furniture, fixtures, equipment, materials, and supplies. Upon the expiration or earlier termination of this Agreement, the discontinuance of the business of Contractor, the failure of Contractor to comply with any of

the provisions of this Agreement, the bankruptcy of Contractor or its giving an assignment for the benefit of creditors, or the failure of Contractor to satisfy any judgement against it within thirty (30) calendar days of filing, County shall have the right to take immediate possession of all such furniture, removable fixtures, equipment, materials, and supplies, without any claim for reimbursement whatsoever on the part of Contractor. E. Disposition of Property in Contractor's Custody:

Upon the termination of the funding of any program covered by this Agreement, or upon the expiration or earlier termination of this Agreement, or at any other time that County may request, Contractor shall: (1) provide access to and render all necessary assistance for physical removal by Director or his authorized representatives of any or all furniture, fixtures, equipment, materials, and supplies, purchased or obtained using any County funds designated for such purpose, in the same condition as such property was received by Contractor, reasonable wear and tear expected; or (2) at Director's option, deliver any or all items of such property to a location designated by Director. Contractor shall develop and institute a plan for an annual evaluation of such training/staff development program.

30. INDEPENDENT CONTRACTOR STATUS:

A. This Agreement is by and between County and Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between County and Contractor. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

B. Contractor shall be solely liable and responsible for providing to, or on behalf of, its employees all legally required employee benefits. County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, or other compensation or benefits to any personnel provided by Contractor.

C. Contractor understands and agrees that all persons furnishing services to County pursuant to this Agreement are, for purposes of workers' compensation liability, the sole employees of Contractor and not employees of County. Contractor shall bear the sole liability and responsibility for any and all workers' compensation benefits to any person as a result of injuries arising from or connected with services performed by or on behalf of Contractor pursuant to this Agreement.

D. Acknowledgment that each of Contractor's employees understands that such person is an employee of Contractor and not an employee of County shall be signed by each employee of Contractor performing services under this Agreement and shall be filed with County's Department of Human Resources, Health, Safety, and Disability Benefits Division, 3333 Wilshire Boulevard, 10th Floor, Los Angeles, California 90010. The form and content of such acknowledgment shall be substantially similar to the form entitled "EMPLOYEE'S

ACKNOWLEDGMENT OF EMPLOYER", attached hereto and incorporated herein by reference.

31. TERMINATION FOR INSOLVENCY:

A. County may terminate this Agreement immediately for default in the event of the occurrence of any of the following:

(1) Insolvency of Contractor. (2) If, as determined in the sole judgement of County, Contractor fails to perform and/or comply with any of the other provisions of this Agreement, or so fails to make progress as to endanger performance of this Agreement in accordance with its terms, and in either of these two circumstances, does not cure such failure within a period of five (5) calendar days (or such longer period as County may authorize in writing) after receipt of notice from County specifying such failure.

B. In the event that County terminates this Agreement as provided in Subparagraph A, County may procure, upon such terms and in such manner as County may deem appropriate, services similar to those so terminated, and Contractor shall be liable to County for any reasonable excess costs incurred by County, as determined by County, for such similar services

C. The rights and remedies of County provided in this Paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

33. TERMINATION FOR CONVENIENCE: The performance of services under this Agreement may be terminated, with or without cause, in whole or in part, from time to time when such action is deemed by County to be in its best interest. Termination of services hereunder shall be effected by delivery to Contractor of a ten (10) calendar day advance Notice of Termination specifying the extent to which performance of services under this Agreement is terminated and the date upon which such termination becomes effective.

After receipt of a Notice of Termination and except as otherwise directed by County, Contractor shall:

A. Stop services under this Agreement on the date and to the extent specified in such Notice of Termination; and

B. Complete performance of such part of the services as shall not have been terminated by such Notice of Termination. After receipt of a Notice of Termination, Contractor shall submit to County, in the form and with the certifications as may be prescribed by County, its termination claim and invoice. Such claim and invoice shall be submitted promptly, but not later than sixty (60) calendar days from the effective date of termination. Upon failure of Contractor to submit its termination claim and invoice within the time

allowed, County may determine on the basis of information available to County, the amount, if any, due to Contractor in respect to the termination, and such determination shall be final. After such determination is made, County shall pay Contractor the amount so determined.

Contractor, for a period of five (5) years after final settlement under this Agreement, shall make available to County, at all reasonable times, all its books, records, documents, or other evidence bearing on the costs and expenses of Contractor under this Agreement in respect to the termination of services hereunder. All such books, records, documents, or other evidence shall be retained by Contractor at a location in Los Angeles County and shall be made available within ten (10) working days of prior written notice during County's normal business hours to representatives of County for purposes of inspection or audit.

34. TERMINATION FOR IMPROPER CONSIDERATION: County may, by written notice to Contractor, immediately terminate the right of Contractor to proceed under this Agreement if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing the Agreement or securing favorable treatment with respect to the award, amendment or extension of the Agreement or the making of any determinations with respect to the Contractor's performance pursuant to the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against

Contractor as it could pursue in the event of default by the Contractor.

Contractor shall immediately report any attempt by a County officer, employee, or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 544-6861.

Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

35. PROHIBITION AGAINST PERFORMANCE OF SERVICES WHILE UNDER THE INFLUENCE: Contractor shall ensure that no employee or physician performs services while under the influence of any alcoholic beverage, medication, narcotic, or other substance that might impair his/her physical or mental performance.

36. NOTICE OF DELAYS: Except as otherwise provided under this Agreement, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Agreement, that party shall, within two (2) working days, give notice thereof, including all relevant information with respect thereto, to the other party.

37. AUTHORIZATION WARRANTY: Contractor hereby represents and warrants that the person executing this Agreement for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition, and obligation

set forth in this Agreement and that all requirements of Contractor have been fulfilled to provide such actual authority.

38. CONSTRUCTION: To the extent there are any rights, duties, obligations, or responsibilities enumerated in the recitals or otherwise in this Agreement, they shall be deemed a part of the operative provisions of this Agreement and are fully binding upon the parties.

39. WAIVER: No waiver of any breach of any provision of this Agreement by County shall constitute a waiver of any other breach of such provision. Failure of County to enforce at any time, or from time to time, any provision of this Agreement shall not be construed as a waiver thereof. The remedies herein reserved shall be cumulative and in addition to any other remedies in law or equity.

40. SEVERABILITY: If any provisions of this Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

41. GOVERNING LAWS: This Agreement shall be construed in accordance with and governed by the laws of the State of California.

42. JURISDICTION AND VENUE: Contractor hereby agrees to submit to the jurisdiction of the courts of the State of California. The exclusive venue of any action (other than an appeal or an enforcement of a judgement) brought by Contractor,

on Contractor's behalf, or on the behalf of any subcontractor which arises from this Agreement or is concerning or connected with services performed pursuant to this Agreement, shall be deemed to be in the courts of the State of California located in Los Angeles County, California.

43. RESOLICITATION OF BIDS OR PROPOSALS: Contractor acknowledges that County, prior to expiration or earlier termination of this Agreement, may exercise its right to invite bids or request proposals for the continued provision of the services delivered or contemplated under this Agreement. County and its DHS shall make the determination to resolicit bids or request proposals in accordance with applicable County and DHS policies.

Contractor acknowledges that County may enter into a contract for the future provision of services, based upon the bids or proposals received, with a provider or providers other than Contractor. Further, Contractor acknowledges that it obtains no greater right to be selected through any future invitation for bids or request for proposals by virtue of its present status as Contractor.

44. NONEXCLUSIVITY: Contractor acknowledges that it is not the exclusive provider to County of the services to be provided under this Agreement, that County has, or intends to enter into, contracts with other providers of such services, and that County reserves the right to itself perform the services with its own County personnel. During the term of this Agreement, Contractor

agrees to provide County with the services described in the Agreement.

45. CONTRACTOR PERFORMANCE DURING CIVIL UNREST OR DISASTER:

Contractor recognizes that health care facilities maintained by County provide care essential to the residents of the communities they serve, and that these services are of particular importance at the time of a riot, insurrection, civil unrest, natural disaster, or similar event. Notwithstanding any other provision of this Agreement, full performance by Contractor during any riot, insurrection, civil unrest, natural disaster, or similar event is not excused if such performance remains physically possible. Failure to comply with this requirement shall be considered a material breach by Contractor for which Director may suspend or County may immediately terminate this Agreement.

46. COUNTY'S QUALITY ASSURANCE PLAN: County or its agent will evaluate Contractor's performance under this Agreement on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with all contract terms and performance standards. Contractor deficiencies which County determines are severe or continuing and that may place performance of this Agreement in jeopardy if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate this Agreement or impose other penalties as specified in this Agreement.

47. CONTRACTOR'S WARRANTY OF ADHERENCE TO COUNTY'S CHILD

SUPPORT COMPLIANCE PROGRAM: Contractor acknowledges that County has established a goal of ensuring that all individuals who benefit financially from County through County contracts are in compliance with their court-ordered child, family, and spousal support obligations in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

As required by County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting Contractor's duty under this Agreement to comply with all applicable provisions of law, Contractor warrants that it is now in compliance and shall during the term of this Agreement maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.55, and shall implement all lawfully served Wage and Earnings Withholding Orders or District Attorney Notices of Wage and Earnings Assignment for Child or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

Within thirty (30) calendar days of renewal or term extension amendment to this Agreement of at least one year, Contractor shall submit to County's Child Support Service Department (CSSD) a completed Principal Owner Information (POI) Form, incorporated herein by reference, along with certifications in accordance with the provisions of Section 2.200.060 of the County Code, that: (1) the POI Form has been appropriately

completed and provided to the CSSD with respect to Contractor's Principal Owners; (2) Contractor has fully complied with all applicable State and Federal reporting requirements relating to employment reporting for its employees; and (3) Contractor has fully complied with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignment and will continue to maintain compliance. Such certification shall be submitted on the Child Support Compliance Program Certification (CSCP Certification), also incorporated herein by reference. Failure of Contractor to submit the CSCP Certification (which includes certification that the POI Form has been submitted to the CSSD) to County's CSSD shall represent a material breach of contract upon which County may immediately suspend or terminate this Agreement.

48. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM :

Failure of Contractor to maintain compliance with the requirements set forth in the CONTRACTOR'S WARRANTY OF ADHERENCE TO COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM Paragraph immediately above, shall constitute a default by Contractor under this Agreement. Without limiting the rights and remedies available to County under any other provision of this Agreement, failure to cure such default within ninety (90) calendar days of written notice by County's CSSD shall be grounds upon which County's Board of Supervisors may terminate this Agreement

pursuant to the TERMINATION FOR DEFAULT Paragraph of this Agreement.

49. CONTRACTOR'S ACKNOWLEDGMENT OF COUNTY'S COMMITMENT TO CHILD SUPPORT ENFORCEMENT: Contractor acknowledges that County places a high priority on the enforcement of child support laws and the apprehension of child support evaders. Contractor understands that it is County's policy to encourage all County Contractors to voluntarily post County's "L.A.'s Most Wanted: Delinquent Parents" poster in a prominent position at Contractor's place of business. County's CSSD will supply Contractor with the poster to be used.

50. CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM: Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the Federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director within thirty (30) calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion from participation in a Federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal government against Contractor or one or more staff members barring it or the staff members from participation in a Federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Contractor or its staff members from such participation in a Federally funded health care program.

Failure by Contractor to meet the requirements of this Paragraph shall constitute a material breach of contract upon which County may immediately terminate or suspend this Agreement.

51. NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT: Contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the Federal income tax laws. 52. CONTRACTOR RESPONSIBILITY AND DEBARMENT:

A. A responsible contractor is a contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity, and experience to satisfactorily perform the contract. It is County's policy to conduct business only with responsible contractors.

B. Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if County acquires information concerning the performance of Contractor under this Agreement or other contracts, which indicates that Contractor is not responsible, County may or otherwise in addition to other remedies provided under this Agreement,

debar Contractor from bidding on County contracts for a specified period of time not to exceed three (3) years, and terminate this Agreement and any or all existing contracts Contractor may have with County.

C. County may debar Contractor if the Board of Supervisors finds, in its discretion, that Contractor has done any of the following: (1) violated any term of this Agreement or other contract with County, (2) committed any act or omission which negatively reflects on Contractor's quality, fitness, or capacity to perform a contract with County or any other public entity, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against County or any other public entity.

D. If there is evidence that Contractor may be subject to debarment, Director will notify Contractor in writing of the evidence which is the basis for the proposed debarment and will advise Contractor of the scheduled date for a debarment hearing before County's Contractor Hearing Board.

E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. Contractor or Contractor's representative, or both, shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a proposed decision, which shall contain a recommendation

regarding whether Contractor should be debarred, and, if so, the appropriate length of time of the debarment. If Contractor fails to avail itself of the opportunity to submit evidence to the Contractor Hearing Board, Contractor shall be deemed to have waived all rights of appeal.

F. A record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right at its sole discretion to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

G. These terms shall also apply to any subcontractors of Contractor, vendor, or principal owner of Contractor, as defined in Chapter 2.202 of the County Code.

53. RULES AND REGULATIONS: During the time that Contractor's personnel are at County Facilities such persons shall be subject to the rules and regulations of such County Facility. It is the responsibility of Contractor to acquaint persons who are to provide services hereunder with such rules and regulations. Contractor shall immediately and permanently withdraw any of its personnel from the provision of services hereunder upon receipt of oral or written notice from Director, that (1) such person has violated said rules or regulations, or (2) such person's actions, while on County premises, indicate that such person may do harm to County patients.

54. COVENANT AGAINST CONTINGENT FEES:

A. Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, except bona fide employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business.

B. For breach or violation of this warranty, County shall have the right to terminate this Agreement and, in its sole discretion, to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

55. PURCHASING RECYCLED-CONTENT BOND PAPER: Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at County landfills, Contractor agrees to use recycled-content bond paper to the maximum extent possible in connection with services to be performed by Contractor under this Agreement.

56. COMPLIANCE WITH THE COUNTY'S JURY SERVICE PROGRAM: This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

A. Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of

the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

B. For purposes of this subparagraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or (2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the

Contract, the subcontractor shall also be subject to the provisions of this subparagraph. The provisions of this subparagraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

C. If Contractor is not required to comply with the Jury Service Program when the Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program. Attached hereto, is the required form, "County of Los Angeles Contractor Employee Jury Service Program Certification Form and Application for Exception", to be completed by the Contractor.

D. Contractor's violation of this subparagraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, in its sole discretion, terminate the Contract and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

57. NO PAYMENT FOR SERVICES PROVIDED FOLLOWING EXPIRATION/TERMINATION OF AGREEMENT: Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Agreement. Should Contractor receive any such payment it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.

58. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW: The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is

set forth herein and is also available on the Internet at www.babysafela.org for printing purposes.

59. CONTRACTOR'S ACKNOWLEDGMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW: The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used.

Part I: Jury Service Program is Not Applicable to My Business

- ☐ My Business does not meet the definition of "contractor", as defined in the Program as it has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exemption is not available if the contract/purchase order itself will exceed \$50,000). I understand that the exemption will be lost and I must comply with the Program if my revenues from the County exceed an aggregate sum of \$50,000 in any 12-month period.
- ☐ My business is a small business as defined in the Program. It 1) has ten or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are \$500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. "Dominant in its field of operation" means having more than ten employees, including full-time and part-time employees, and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed \$500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

- ☐ My business is subject to a Collective Bargaining Agreement (attach agreement) that expressly provides that it supersedes all provisions of the Program.

OR

Part II: Certification of Compliance

- ☐ My business has and adheres to a written policy that provides, on an annual basis, no less than five days of regular pay for actual jury service for full-time employees of the business who are also California residents, or my company will have and adhere to such a policy prior to award of the contract.
